

# Discover Pictures and Facts About Winter, Summer, Fall, and Spring Seasons for Kids

This book is perfect for young children who are curious about the different seasons. It includes beautiful pictures and fun facts about each season, as well as activities and crafts that kids can enjoy.

## Winter

Winter is a time of year when the days are shorter and the nights are longer. The weather is cold and snowy, and the ground is often covered in a blanket of white. Many animals hibernate during the winter, and people often enjoy spending time indoors by the fire.
