

Gacy: The Killer Clown - The Horrifying True Story of Serial Killer John Wayne Gacy

John Wayne Gacy was a seemingly ordinary man. He was a successful businessman, a devoted husband and father, and a pillar of his community. But behind this facade lay a dark secret: Gacy was a serial killer who murdered at least 33 young men and boys in the 1970s.

Gacy's reign of terror began in 1972, when he lured a teenage boy named Timothy McCoy to his home and murdered him. Over the next four years, Gacy would continue to abduct, torture, and kill young men and boys, often luring them with the promise of a job or a place to stay.

Gacy's victims came from all walks of life. Some were runaways, others were hitchhikers, and still others were simply young men who had made the mistake of trusting the wrong person. Gacy would often torture his victims for hours before finally killing them, and he would often dispose of their bodies in the crawlspace of his home.

In 1978, Gacy's reign of terror finally came to an end when he was arrested for the murder of Robert Piest, a 15-year-old boy who had disappeared from a local drugstore. A search of Gacy's home uncovered the bodies of 29 young men and boys, and Gacy was subsequently charged with their murders.

Gacy's trial was one of the most sensational in American history. He was convicted of 33 murders and sentenced to death. Gacy was executed by lethal injection in 1994.
