## **About the Book**

The Book of Mormon is an ancient record that tells the story of the Jaredites and Nephites, two groups of people who migrated to the Americas from the Old World. The book is written in a series of books, each of which was written by a different prophet. The prophets wrote the books

over a period of centuries, and the books were later compiled into a single volume.

The Book of Mormon is a valuable historical document that provides insights into the ancient history of the Americas. The book also contains religious teachings that are relevant to people of all faiths. The Book of Mormon has been translated into over 100 languages, and it is studied by millions of people around the world.

### **The Book of Mormon Arranged in Sequence of Composition**
