Print length : 606 pages

Contemporary Corrections: A Critical Thinking Approach is a comprehensive and engaging textbook that explores the complex and rapidly changing field of corrections. Written by leading experts in the field, this text provides a balanced and critical analysis of the key issues facing corrections today, including mass incarceration, recidivism, and the privatization of corrections.

With its accessible writing style and wealth of case studies and examples, Contemporary Corrections is an essential resource for students and practitioners alike. This text will help you to:

- Develop a deep understanding of the history, theory, and practice of corrections.

- Analyze the complex causes of crime and develop effective strategies for preventing and reducing it.
- Evaluate the effectiveness of different correctional interventions, including probation, parole, and imprisonment.
- Understand the challenges and opportunities facing the field of corrections in the 21st century.

Contemporary Corrections is organized into three parts:

1. Part I: The Foundations of Corrections
2. Part II: Correctional Interventions
3. Part III: The Future of Corrections

Part I provides a comprehensive overview of the history, theory, and practice of corrections. Part II examines the different types of correctional interventions, including probation, parole, and imprisonment. Part III explores the challenges and opportunities facing the field of corrections in the 21st century.

Contemporary Corrections is an essential resource for students and practitioners alike. This text will help you to develop a deep understanding of the field of corrections and to prepare for a successful career in this challenging and rewarding field.
