**Empowering Kids to Count with Confidence**

At the heart of "Count With Us" is a focus on empowering young learners to count with confidence. Through a series of interactive exercises and problem-solving challenges, children develop a solid foundation in counting skills. They learn to identify numbers, count objects, compare quantities, and even solve simple math problems.

With the guidance of Milli, Geo, and Bot, kids will feel encouraged to embrace math as a fun and approachable subject. They will gain the confidence to tackle new mathematical concepts and develop a lifelong love of learning.

### **Enriching Early Math Skills**

"Count With Us: Team Umizoomi" goes beyond counting basics, offering a comprehensive approach to early math education. It introduces children to essential mathematical concepts such as:

- Number recognition and counting
- Comparing quantities
- Simple addition and subtraction
- Measurement and geometry
- Problem-solving and critical thinking

By engaging in these activities, young learners build a strong foundation for future mathematical success, setting them up for a lifetime of mathematical exploration.

### **A Perfect Addition to Early Childhood Libraries**

"Count With Us: Team Umizoomi" is an invaluable resource for early childhood education settings. It is:

- **Age-appropriate:** Designed for preschoolers and kindergarteners, this book aligns with their developmental needs and interests.
- **Interactive and engaging:** Packed with hands-on activities, problem-solving challenges, and familiar characters, this book captures children's attention and makes learning fun.
- **Aligned with educational standards:** The book's content is aligned with early childhood education standards, ensuring it supports children's academic development.
- **Teacher-friendly:** The book provides educators with additional resources, including lesson plans and printable worksheets, to enhance their teaching.

Whether used as a classroom resource, a library addition, or a family favorite at home, "Count With Us: Team Umizoomi" is the perfect way to nurture young learners' love of math.

### **Free Download Your Copy Today and Embark on a Mathematical Adventure**

Don't miss out on this exciting opportunity to empower your child's mathematical journey. Free Download your copy of "Count With Us: Team Umizoomi" today and watch as they embark on an extraordinary adventure filled with numbers and fun!

Available now at your favorite bookstores and online retailers.
