Here are some examples of the other gods and goddesses:

Thor was the god of thunder. His favourite weapon was a hammer. Thor's symbol is a thunderbolt and a chariot that was drawn by goats.

Tiw was the god of fighting. He is depicted as having only one foot, as only one foot was a great war-cancer.

Eostra was the goddess of spring. Her name is said to describe the spring festival which we now call Easter.

Frigg was the goddess of the home and love. She was believed to be one of the most powerful goddesses and was thought to be very wise.

Weyland was the god of metalwork. Metalwork was extremely important as it was used to make tools and weapons. Frigg's husband was a important god.

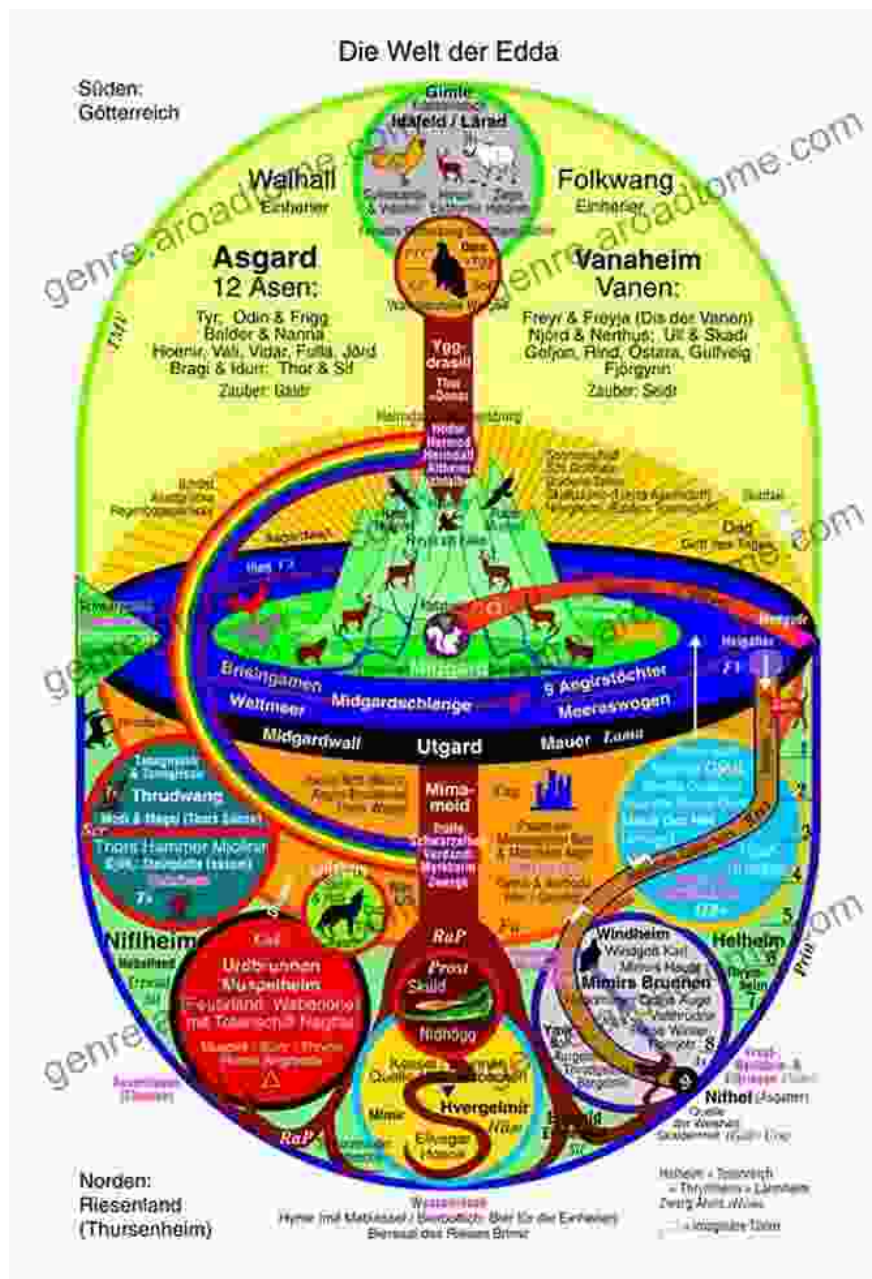

Chapter 2: Rituals and Practices of Heathenry

This chapter delves into the intricate rituals and practices that characterized Saxon Heathenry. From elaborate sacrifices to seasonal festivals, we gain an understanding of how the Saxons sought to connect with their deities and ensure the well-being of their communities.

Chapter 3: The Cosmology of the Ancient Saxons

Aldsidu explores the cosmological beliefs of the ancient Saxons, their perception of the world's origin, structure, and ultimate fate. We traverse the realms of Asgard, Midgard, and Niflheim, discovering the intricate web of interconnectedness that defined their understanding of the cosmos.

Chapter 4: Heathenry in the Modern World

This final chapter examines the resurgence of interest in Old Saxon Heathenry in contemporary times. From the revival of traditional rituals to the exploration of modern interpretations, we witness the enduring legacy of Saxon beliefs and their relevance to our own spiritual journeys.

: A Legacy that Endures

Aldsidu: Old Saxon Heathenry concludes with a profound reflection on the enduring legacy of this ancient belief system. By exploring its rich mythology, rituals, and cosmology, we gain a deeper appreciation for the spiritual practices of our ancestors and their profound impact on our cultural heritage.
