Moses' mother, Jochebed, clung to the hope of preserving her son's life. She placed him in a basket made of reeds and coated with tar and pitch to make it waterproof. She then set the basket afloat on the Nile River, hoping that it would be found by someone who would care for him.

As fate would have it, the basket was discovered by Pharaoh's daughter, who took pity on the helpless infant and adopted him as her own son. Moses was raised in the royal palace, enjoying all the privileges and comforts that came with his status.

## **Moses' Calling**

Despite his upbringing in the lap of luxury, Moses never forgot his true heritage. As he grew older, he became increasingly aware of the suffering of his fellow Israelites. One day, while witnessing an Egyptian overseer beating an Israelite slave, Moses' anger boiled over. He intervened, killing the overseer and burying his body in the sand.

Moses' actions had dire consequences. Pharaoh, upon hearing of the incident, ordered Moses to be put to death. Moses was forced to flee Egypt and seek refuge in the desert of Midian.

It was in the solitude of the desert that Moses encountered God. One day, while tending to his sheep, he came across a burning bush that was not consumed by the flames. From within the bush, God spoke to Moses, revealing His plan to liberate the Israelites from slavery.

## **The Exodus**

Moses was hesitant at first, but God reassured him and gave him the power to perform miracles. Moses returned to Egypt and confronted

Pharaoh, demanding the release of the Israelites. Pharaoh refused, and God sent a series of plagues upon Egypt to force his hand.

Finally, after the tenth and most devastating plague, Pharaoh relented and allowed the Israelites to leave Egypt. Moses led the Israelites out of slavery and into the wilderness, where they would wander for forty years before reaching the Promised Land.

### **The Giving of the Torah**

During their time in the wilderness, God revealed His laws and teachings to Moses on Mount Sinai. These laws, known as the Torah, became the foundation of Jewish faith and practice.

The Torah contains commandments on morality, ethics, and religious rituals. It also includes the Ten Commandments, which are considered the cornerstone of Jewish law.

### **The Promised Land**

After forty years of wandering in the wilderness, the Israelites finally reached the Promised Land, a land flowing with milk and honey. Moses led the Israelites across the Jordan River and into the Promised Land, but he did not live to see them fully conquer the land.

Moses died on Mount Nebo, a mountain overlooking the Promised Land. He was 120 years old.
