

What's Happening, What We Can Do: A Must-Read for Climate Activists

About the Book

In her powerful and urgent new book, *What's Happening, What We Can Do*, Jane Fonda sounds the alarm about the climate crisis and calls on us all to take action before it's too late.

Fonda draws on her decades of activism to provide a clear and concise overview of the science of climate change, the devastating impacts it is already having on our planet, and the solutions we need to implement now.

Climate Emergency Atlas: What's Happening - What We Can Do by José Rizal
